

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over sixty years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality so as to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They like offering items which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes tackling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and needs together with their comprehension of cleaning applications, along with owners' strong desire to dramatically reduce cost through productivity gains.

When needed, the employees within TREK and its numerous dealer members in both technical support and parts would be available. Amongst their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery ready and working day by day is top priority. The company's top of the line technology delivers dependable machine which eventually lessens your cost of cleaning. The service, the product and the price all work as one to make them an industry leader.
