

## **Lull Telehandler Part**

Lull Telehandler Parts - Lull telehandlers have been supplying precision load placement since the year 1959. Whether the task requires positioning heavy steel, landing loads on scaffolding or transferring loads, using a Lull telehandler will really help make the job go easier and faster. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could supply eighty inches of boom travel for precision placement functionality. There are also numerous optional Lull attachments for their telehandlers so as to help finish whatever task.
