

## American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery which are recognized in the industry as strong and durable equipment that meets the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company who is currently also owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to supply machinery, parts and warranty service for these scrubbers that carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where efficiency and results count. Lately, this floor scrubber model has been utilized by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on site because of the model's utmost performance level and excellent quality for polishing concrete.
